

"Hurricane Life: 2008-2009"

DVD Video of school life at J. Larry Newton School

My name is Mr. Normand, your child's music teacher. Besides teaching music, I've been doing school videos for 14 years. I will be producing a DVD video featuring each grade level doing typical school day activities: in class, having lunch, at P.E., and several special events like personal interviews, Field Day, Homecoming Christmas, etc. The DVD video for each grade will be 60-90 minutes long. By purchasing your child's grade level DVD you will have a unique opportunity to see what the school year was like for your child, and have a treasured historical document.
