

DEAR PARENTS,

It is with great pleasure that I welcome you and your family to Prince of Peace Catholic School Preschool Program.

We put great effort into seeing that our program is one of the finest Christian programs in Alabama.

Our program is an extension of the ministry of our elementary school. The preschool board, teachers, and support staff are dedicated to their tasks. As Christians, we approach our work in a conscientious, loving, and prayerful manner.

We believe that Christian principles and values are essential in working with children and for fulfilling their needs. We are here to support you in your role as responsible, loving parents. We encourage all members of our school community to grow in the love of God and neighbor, to foster the community of faith, and to integrate the teachings of Jesus Christ into their own moral development.

Our children are precious to us, but to God they are the most precious of all. Jesus said,

"Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these."

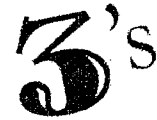

Please feel free to call me with any questions at (205) 824-7886.

Sincerely,

Connie Angstadt, Principal
