

MISSION STATEMENT

Prince of Peace Church Preschool provides a Christian environment in all aspects of its program. In this environment your child will receive individual, loving attention, learn how to get along with others, gain new skills and appreciations. They will form good habits and learn to be a caring and responsible member of a group. Prince of Peace Catholic School, in partnership with each family, strives to form a community of faith dedicated to living and teaching the message of Jesus Christ.

We believe that all preschoolers need to grow mentally, physically, socially, and spiritually. In order to develop the highest possible self-esteem, children must learn in a positive environment that helps them become aware of God and His importance in their lives.

Realizing our goals, our Preschool will provide a strong developmental pre-academic basis for each child. It is our sincere hope the learning experience here at Prince of Peace Catholic Church Preschool will be fun and rewarding.

I tried to teach my
Child from books,
He gave me only
Puzzled looks.

I tried to teach my
Child from words,
They passed him by
Often unheard.

Despairingly, I turned aside,
How shall I teach this
Child I cried.

Into my hand he
Placed the key,
Come he said
Play with me.
