2. All students are required to purchase a new parking permit each year. A different set of numbers will be assigned each school year.
3. All cars parked on campus must have a parking permit. Stickers are "static cling" and can be moved from one car to another. If you wish to purchase multiple stickers, the cost is \$3.00 per sticker.
4. Students parking on campus without a sticker may be subject to disciplinary action.
5. Students may park in the designated parking lots so they do not block any other vehicles.
6. Senior stickers will be a different color. All students must now use the new gym parking lot or the south parking lot.
7. Students may not return to the parking areas without permission from an administrator.
8. **All students who drive to/from tech school must follow the tech school bus. Permission must be obtained prior to driving. These students must also turn in all check in/out notes to their homeroom teacher at Elkmont.**
9. Parking permits will be issued and are required to be attached to the upper left hand corner of the windshield. Stickers should be placed below any tinting that will not allow the sticker to be seen from the outside of the car.
10. Violation of these rules or excessive tardiness/absences will warrant the suspension of driving privileges or other consequences set forth in the student handbook.
