Week 3
August 25, 2008

This week we will be reviewing the Computer Lab Rules and Procedures, exploring the new [Mrs. Coggin's Class](#) website, and choosing our assigned seats.

Week 2
August 18, 2008

Your first assignment is to take the STAR Reading test to determine your reading level. Your teacher will bring you to the lab this week to complete the test. STAR tests will now be taken on the Renaissance Place website, and we will go over the process together.
