6TH Grade Reading List for Summer, 2010

Prospective PPS 6th graders are expected to read over the summer in preparation for the new school year. Though all students may not read the same number of books, **it is expected that you read at least three for pleasure and fun** (even more would be great). Please record the title of each book you read on your *2010 Summer Reading Log* which you find on the back of this sheet. Record any other titles that you read in addition to the three required books. Newbery Medal winners & honor books are particularly recommended. We encourage you to challenge yourself and stretch your imagination!

Choose three books from the list below to read over the summer to meet the minimum reading requirement. You will choose one of those books to complete the JACKDAW project. You will be tested during the first two weeks of school on the other two books that you choose to read. Book reviews for the following books may be found on the www.Amazon.com website:
