INVESTING IN OUR STUDENTS

- **\$97,000—Teacher Instruction Supplies**
- **\$40,000—Technology**
- **\$20,500—Outdoor Classrooms**
- **\$ 1,000—Interactive Physical Education**

The children of this community are the greatest resource we have. Indeed, they are the future of our community, state, and nation! We are blessed that you, the citizens of this community and alumni of Oxford realize the importance of a quality education. Your commitment, dedication, and passion will enable us to make a lifelong impact on the future of our community. We express our heartfelt gratitude to each of you who have so generously supported the Foundation. Together, we will work to make Oxford the BEST school system in the state. THANK YOU!!!

Oxford City Schools Education Foundation President, Stan Nelson, presents \$55,600 check to Dr. Goodwin

Thanks to the commitment of the Oxford City Schools Education Foundation and the Oxford City Schools Board of Education, every teacher in the Oxford City School System received \$400 for classroom instructional supplies. Due to proration, the state education budget provided no money again this year for teaching supplies. "The mission of our organization is to enhance the educational opportunities for all students in Oxford City Schools. We realize this money will touch every child in every classroom in a positive way," stated Stan Nelson, President of the Oxford City Schools Education Foundation. The audience of faculty, administrators, and staff members responded with a standing ovation and a resounding applause when the checks totaling, \$111,200, were presented to Dr. Goodwin at the annual teacher institute on August 3.

Mr. Bobby Pope, a 1949 alumnus, presents a \$25,000 check to the Oxford City Schools Education Foundation

Mr. Bobby Pope, a 1949 graduate of Oxford High School (then Calhoun County High School), made a significant contribution to the Oxford City Schools Education Foundation. Wishing to give back to the school that afforded him many opportunities and laid the foundation for his very successful banking career, Mr. Pope stated, "My heart is still in Oxford, and I am very proud of the schools and this city. I want to make a positive difference in the lives of these students."

Friends and Partners of the Foundation:

The Oxford City Schools Education Foundation began its operations in the fall of 2008 with a pledge to continue the strong tradition of educational excellence and outstanding student achievement. Your overwhelming support has certainly displayed the civic pride that makes this community a special place!

Oxford has strong schools and dedicated teachers! We realize that Oxford's more than 4,000 students benefit from programs that enrich the curriculum and prepare them for the 21st Century workplace. Today, because of the support of so many generous donors and volunteers, the Foundation has contributed over \$150,000 to Oxford City Schools for outdoor learning laboratories, state-of-the art technology, and instructional supplies for teachers.

As you know, state funding has been dramatically reduced and the economic environment remains uncertain. Therefore, we must be more diligent in our commitment to mobilize community support and resources for the academic needs of our students. We must be willing to provide financial support that goes beyond the scope and means of the school system.

We are asking for your help. You have an opportunity to make a difference in local education. You have an opportunity to invest in the future of our community by investing in the education of our young people! You can support the Foundation and Oxford City Schools in several different ways:

- **Make a direct contribution**
- **Sponsor a fundraising event- "Breakfast with Santa", "Holiday Tour of Homes", or the "Edible Evening for Education"**
- **Purchase a "Walk of Champions" brick paver**
- **Designate the Foundation the beneficiary of life insurance policies**
- **Donate appreciated stocks (good tax strategy)**
- **Participate in Planned Giving program**

Please know that virtually all of your contributions go directly to benefit the students. Again, we ask for your support for our students in Oxford City Schools. The board promises to spend each dollar as though our families depend on it. In fact, we all depend on our schools, because strong schools are the economic engine of a thriving community. Thank you so much for your support!

Sincerely,

Foundation Board of Directors

Thank you, Sponsors!!

We wish to extend our heartfelt gratitude to our event sponsors. Their generosity has been a tremendous part of our success. We invite you to join us as a Silver Level event sponsor (\$1000).

“Breakfast with Santa”

The excitement of Christmas, the wonder of the season, and the joy of smiling children’s faces was experienced by all at the “Breakfast with Santa” event. The first annual “Breakfast with Santa” was held on Saturday, December 5th at the Oxford Public Library. The morning was filled with visits from Christmas characters such as Frosty, the Gingerbread man, elves, Rudolph, the Grinch, and of course Mr. and Mrs. Claus. The children and parents visited with the characters as they enjoyed pancakes, bacon, fruit, milk, and coffee. Pictures with Santa were available. In our efforts to promote literacy, every child received a book from ‘Ole St. Nick.

“Holiday Tour of Homes”

Cider Ridge Development was as picturesque as postcard when the neighborhood opened its gates to the public for the Foundation’s first annual “Holiday Tour of Homes”. Landscaped with a lighted Christmas tree on each lawn, lampposts trimmed with the greenery and bows, and the lovely homes exquisitely adorned with Christmas decorations expressed Christmas greetings to all the patrons. The Oxford City Schools choirs and band serenaded the visitors as the spirit of Christmas cheer was experienced by all.

“Edible Evening for Education”

The “Edible Evening for Education” was a night where 31 local restaurants had an opportunity to showcase their finest culinary talents. The Oxford High School Sports Arena was transformed into an atmosphere of elegance. It was an evening like none other in Oxford where eating, socializing, and making connections were enjoyed by all. Mark your calendar for the 2011 event!

5:30-8:00 pm

Tickets: \$20

“WALK OF CHAMPIONS-PHASE II” 450 BRICKS SPACES REMAINING

Oxford High School celebrates, in 2010, a century of providing the highest quality education for the citizens of Oxford. This 100 years culminates with the opening of a beautiful new building featuring a magnificent columned entrance portico with the focal point in front being an etched monument to Oxford High School. Surrounding the monument is the “Walk of Champions” made of engraved brick pavers. The “Walk of Champions” will be a source of pride for Oxford and Yellow Jacket fans everywhere. Graduates, staff, families, businesses, and friends—purchase a brick paver and pledge your allegiance to OHS by being a member of the “Walk of Champions.”

4 x 8 brick paver = \$100

Brick order forms available at:

8 x 8 brick paver = \$200
