

**Indian Valley Elementary Continuous Improvement Plan Summary
2010-2011**

In order to achieve optimal performance of every student at Indian Valley, our school has prioritized the following goals for improvement:

Literacy Goals

K-2 students, with an emphasis on the special education subgroup, will show an increase of 1-5% scoring proficiency on the end of the year Harcourt Benchmark Comprehension subtest.

Math Goals

K-2 students, with an emphasis on the special education subgroup, will show an increase of 1-5% scoring proficiency on the end of the year addition and subtraction facts assessment.

Writing Goal

K-2 students, with an emphasis on the special education subgroup, will show an increase of 1-5% scoring proficiency on the end of the year Harcourt Benchmark Writing test.

Our faculty and staff at Indian Valley are dedicated to the premise that every student at our school has the potential to achieve overall mastery in every aspect of our curriculum. By focusing on these specific goals, that potential will be attained.

A complete copy of our Continuous Improvement Plan is provided in our school library, the principal's office, the Board of Education, on our school's website, and at the public library. Every parent has the right to review our complete Continuous Plan and to submit any suggestions regarding plan revisions in written form to our school.

.....
Please submit any suggestions, changes, or revisions in writing to school administrators. Your comments are valued and needed so our school can continuously improve.
