

EXPECTATIONS AND GUIDELINES FOR THE MENTOR PROGRAM

The Mentor Program is designed to encourage and support every player on the Hillcrest Patriot Football Team. By providing cards and notes each gameday to the player or players of one's choice, the program affords the mentor the opportunity to impact a player's life in a positive way.

Coach Winegarden will oversee this program and has set the following guidelines to ensure it's success.

- 1. Commitment to weekly send your player/players a gameday note or card.*
- 2. Cards and notes can be as simple as an encouragement written or more creative with handmade detail. Scripture and relative quotes are encouraged.*
- 3. Newspaper clippings about the player or team would be a great addition.*
- 4. No food or other items are allowed and will not be distributed to lockers.*
- 5. Cards and letters can be dropped in box in school office any time during the week prior to game.*
