MISSION

The mission of Alexander High School is to provide a quality education for all students in a safe, supportive environment. We will offer opportunities and experiences for students to become responsible individuals, lifelong learners, and productive citizens who are able to meet the challenges of the future.

BELIEFS

We believe that:

- A safe and orderly environment is necessary for optimum learning.
- A variety of instructional techniques to accommodate different learning styles is essential for student achievement.
- Student learning is the collaborative responsibility of students, parents, teachers, administrators and the community.
- Student attendance, behavior, and attitude directly affect student achievement.
- Extra-curricular activities are an important part of the total school program.
