

Welcome from the principal...

Dear Parents and Students,

Welcome to Arbor Station Elementary School! I am thrilled to start another great school year. I strongly encourage all parents and students to review this handbook so that you are familiar with school policies and procedures. A special effort has been made to include all relevant information that you will need to have a successful school year. Please don't hesitate to contact the school if you have questions or need additional information.

Everyone's input is important as we continue to work together to create a school where all students can be successful. Your participation in the total school program and involvement in PTSO are encouraged and appreciated.

This year the staff and faculty at Arbor Station are focusing on two goals. The first and most important is to increase the academic achievement of all students. The second is to improve attendance. I hope you will join with us in striving to achieve these goals.

Sincerely,

Melissa Joe
