

Teachers and students may create netTrekker logins to access netTrekker content and features from home. All accounts created at home will be “Student” accounts. Teachers wishing to access “Teacher” material will need to contact their media specialist or SchoolBITS representative for the access code.

Creating a login:

Go to <http://school.nettrekker.com>

Click on the **Register** link.

Complete the **New User** information page. Click **Next**.

Create New User

Please fill in the following form, making sure all the required fields are complete. Then click 'Next' at the bottom. The fields with an asterisk (*) indicate required fields.
