

After School Program

HSES offers an after school program that serves as an extension of the school day with after school tutoring and a daycare program. The after school program provides homework help and activities for students. A snack is provided. Hours are until 6:30 PM daily.

Registration fees are \$10.00 per family and \$8.00 a day per child.

Currently we have approximately two hundred students enrolled in our program. Registration forms are available in the school office. Our After School Program directors are Andalee Eason and Renee Hennesy. They can be reached at 770-651-4000.

School Council

Holly Springs Elementary School recognizes the importance of community involvement in the success of the school. The Council is composed of parents, teachers and community members who serve as a liaison between the school and community.

PTSO

Our PTSO is an active organization that works with the school to develop and fund projects to support teachers and students in the learning environment. There are no dues required for our PTSO. All parents are invested members upon enrollment at Holly Springs Elementary School.

Mission Statement

Our mission is to encourage and empower children in mind, body, and spirit to be successful, productive citizens while inspiring them to be lifelong learners.

In order to promote our mission, we believe that we must:

- Provide a positive, safe, clean, secure classroom and school environment.
- Engage the children in an active learning process by emphasizing problem solving with real life application.
- Respect and accommodate our children, their individuality, and their different ways of learning.
- Support a challenging and motivating environment by emphasizing quality academics, leadership, discipline, and character.
- Challenge the whole child to achieve his/her full academic, social, emotional, behavioral, and physical potential.
- Share the responsibility for our school's success by promoting many opportunities for active involvement from our teachers, support staff, administration, parents, children and the community.
- Commit to being positive, ethical, and professional role models for students while striving toward continuous improvement.
- Recognize and appreciate cultural diversity with emphasis on mutual respect.

Standardized Testing

We are very proud of the accomplishments of our students in the area of statewide testing. Our students at Holly Springs Elementary School met or exceeded the standard in reading, language arts and math consistently.
