

Odyssey Home Access

CompassLearning Odyssey is web-based software used by the Douglas County School System to support Georgia curriculum standards. Students have been using the software during the school day and now have the option of using it at home!

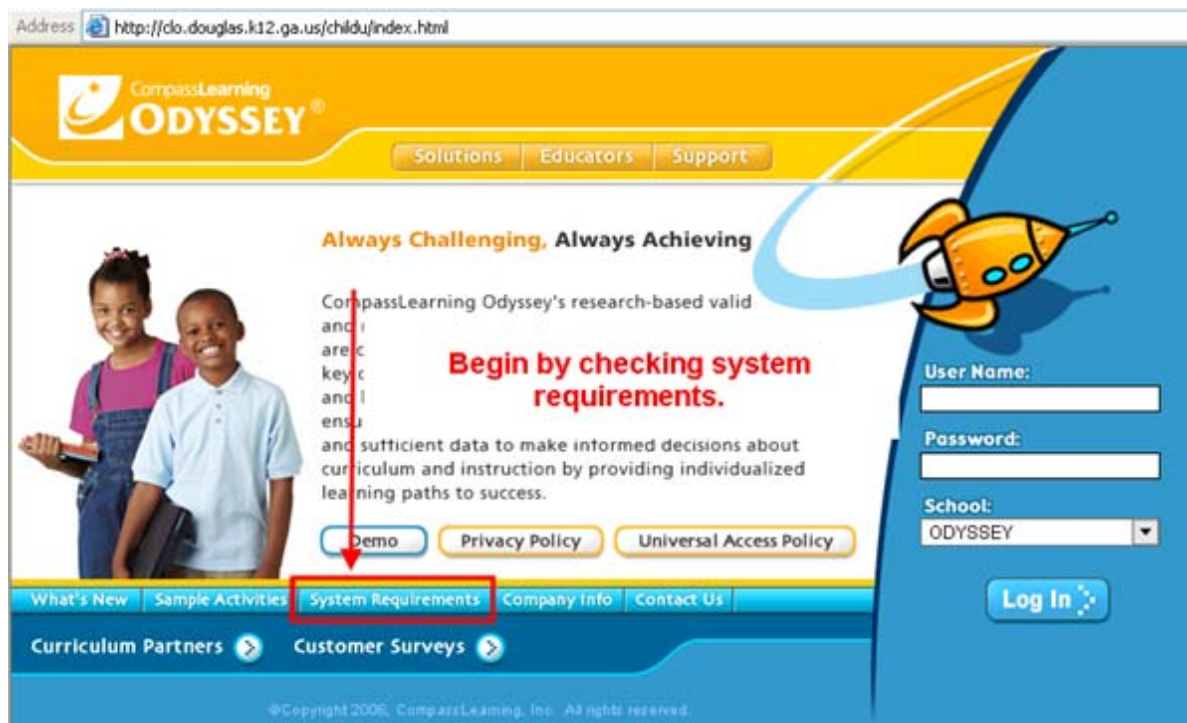

System Requirements: Click the following link to see if your computer meets the minimum requirements to run Odyssey:

<http://clo.douglas.k12.ga.us/childu/systemrequirements.html>

You may also click on **System Requirements** on the Odyssey home page as shown below.

Be sure to scroll down the System Requirements page to install plugins:

Adobe, Flash, Shockwave, Print-o-Matic, Quicktime, Java.

Once your system is ready, open an internet browser and go to <http://clo.douglas.k12.ga.us> (CLO stands for **CompassLearning Odyssey**)

Students will login as they do at school. If your child does not know how to login, please check with your teacher.

Students and parents may click on the Student Backpack for assignment status and reports.
