

2009-2010 Mirror Lake Elementary Yearbook information

The theme for this year's yearbook is "School of the Future".

There will be a cover contest again this year. Students should draw a picture of what they think will represent a school of the future. Please submit your drawings through the art department. Entries are due November 12.

Yearbooks will be \$20.00 each, order forms will be sent home the week of 10/26th. Orders are due back, with full payment by December 18th. The yearbooks are soft cover, just like last years. There will be NO EXTRA yearbooks, so please order your yearbook before December 18, 2009.

This year you have the opportunity to personalize your child's yearbook. Please make sure you fill in the form that comes home the week of 10/26. **PRINT CLEARLY, AND PRINT ONLY WHAT YOU WANT THE YEARBOOK TO SAY. WHAT YOU WRITE WILL BE PRINTED.** An example might be a first and last name or if your child goes by a nickname or a shortened name that you want on the cover, that is the name you write on the form. Exactly what you write on the form will be printed in the front lower left hand corner of your child's yearbook. There is no charge for this extra benefit. If you don't want a name printed on the yearbook, don't enter a name on the form.

The yearbook committee is made of several parent volunteers. If you would like to volunteer to help you can email the yearbook committee using the address below.

If you need additional information about the yearbooks, please email your questions to MLEyearbook@yahoo.com.
