

***Staples* Ink Cartridge Rewards Program**

Ongoing collection

Dear Aldene Parents/Guardians,

My name is Luz Munera, and I am a proud parent of a fourth grader. I am currently collecting used ink cartridges, ink toner, fax ink cartridges, basically all types of cartridges. Aldene is part of the ***Staples Recycle Rewards Program*** and we earn cash value recycle rewards for our school. This enables us to purchase some things that the may PTA may need.

I am asking for everyone to participate by collecting your used cartridges from home or work. During the school year, they can be directly sent in with your child or dropped off at the office. Or you can call me, I am available to pick them up or they can be dropped off anytime at my front door.

I appreciate all the donations that I have received so far and I thank everyone that has and will participate in the ***Staples Recycling Rewards Program.***

Sincerely,

Luz Munera (Aldene PTA)
