Field Day

NEW Day! NEW Time!

This year we are trying something new. We will have our field day on **WEDNESDAY, JUNE 2nd**. Classes will be paired up but stay with their regular teachers. We will start around 10:30 a.m. and run through 9 stations and a lunch station. School lunch will be grilled hamburgers. Regular school lunch charges will apply. Students may bring a lunch as always. We will have watermelon for everyone. The activities will end at 1:30 p.m.

Kudos

Kudos to our Fifth Grade students and teachers. You were commended on your good behavior and manners by Mr. Lindberg at RCMS. "It is things like this that have us looking forward to getting you guys next year. You were the only school to send us thank you cards. That shows a lot for your school!! Thank you again, and we ARE looking forward to seeing you next year as **SHARKS!!!!!!**"

Mrs. Lindberg was selected as the Manse Elementary Teacher of the Year! She was honored at the 11th Annual Stand for Children Day, May 22nd. Congratulations!

As of the May 19th School Board Meeting, we will lose 4 teachers next year even though we are projected to have more students. We will have 3 classes in First Grade through Fourth Grade and 2 classes in Fifth Grade (35 students each) and 4 all-day Kindergarten classes.

NED Show

Last Thursday, our students experienced The NED Show! Through the use of yo-yos, The NED Show teaches students how to become champions at school and in life. Ask your child if he or she can tell you what **NED** taught:

Never give up
Encourage others
Do your best

NED Gear will be available for purchase through Thursday, May 27, 2010. To see a brief clip of the show, go to www.thenedshow.com. You can also visit www.shopNED.com and place orders directly online.

Food for Thought

The PTO Food for Thought program aids students who regularly eat only at school by sending home enough food to feed students when they are not in school. Information is kept private and confidential. The program will continue as a weekly program throughout the summer. A limited tutoring program will be set up to keep kids reading. The application for the summer program went home on Monday. If you have questions, please call our Food for Thought Program Coordinator Jodi Burrows at 751-9353 or email her at mansepto@yahoo.com.

We also want to thank the entire community for supporting this program with food and funds. We are able to serve children throughout the valley because of your generosity.
