Career Exploration – Essay, Bulleted List, Poster

In the form of a short essay or bulleted list or poster, please answer the following:

What do I want to be when I grow up?

- Pick a career/occupation that seems to interest you. Why does it interest you? List at least three reasons.
- What skills do you think you will need? Physically, intellectually, etc.
- What kind of education do you think you will need?
- What do think are the benefits of this career? Pay, work environment, employment perks, etc.
- How will this career choice coincide with you future “family” plans?

Do not use the Internet to collect information. Use only information you’ve obtained as you’ve grown up.
