Nita Hurley, Counselor

Dear Parent,

I am writing today to notify you of an incentive adopted by the Diboll Independent School District to help motivate your son or daughter to pass this year's state mandated TAKS test. Students in grade 6-8 who pass all of their TAKS tests this spring will not have to attend the last 10 days of school.

Students who have not met the state mandated 90% attendance directive will be required to attend those days for makeup regardless of their success on the state tests.

I hope that you find this information useful and informative. If you have any questions about any information presented in this letter, please contact us at 936-829-5225.

Thank you,

Mark Kettering
Principal, Diboll Junior High School
